About Me

I am driving buses in this moment. I started in Transdev Blazefield 4.5 years ago.

It's a great company to work for.

I would like to change career.

My aim to become a fully qualified Web Developer

Aim

2019.Around New Year I've started to build some websites, learning HTML and CSS. In August: I have started to study web development with Learning people/Code Institute .

By March I should finish my course as a **Full Stack Web Developer** and own a Level 5 diploma

SKILLS & ABILITIES

Skills :

- HTML
- CSS
- Bootstrap 4

Abilities :

- Teamwork
- Problem solving
- Good communication
- Quick learning

EXPERIENCE

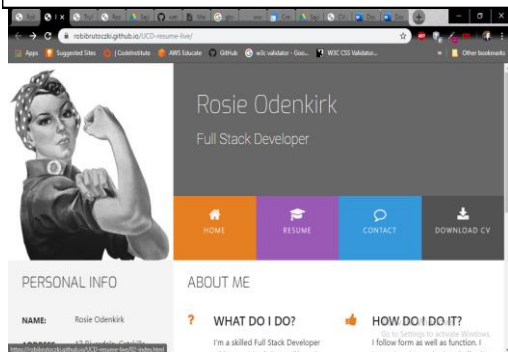

Rosie's CV

Mini Project

I made this website as Code Institute's mini project.

Rosie is a fictional person, needed a Cv webpage, simple but elegant.
